BRAND STRUCTURE

HJC HELMETS

- HJC HELMETS — MOTORCYCLE
- HJC — SPORTS HELMETS
- MOTORSPORTS
- SMART HJC

Our factories are dedicated to the highest quality

HJC has three factories producing more than one million helmets per year. Your helmet is handmade by very skilled workers with over 40 steps in the process. Perfect logistics guarantees a reasonable price. Quality control ensures your satisfaction.

The largest sales distribution networks Worldwide

A good distribution organization and suited warehouses enable HJC to deliver more than one million helmets around the world. In the USA and Europe, hundreds of thousands of helmets, accessories, and spare parts are stored ensuring an outstanding delivery and after-sales service.

Advanced, Creative, Competitive

In order to create the world's best product and strongest brand image, we pursue product development that puts consumers' safety first, develops next-generation materials, and creates innovative functions that go beyond convenience for consumers.

By integrating the metal industry with electronic technology and innovative techniques, we are able to make the world's best lightweight helmet with a combination of strong and light materials.

From motorbike helmets to winter sports helmets (skiing, skeleton, bobsled, etc.) and everyday sports helmets (biking, rollerblading, skating, etc.), we are evolving into the world's leading brand of sports helmets for consumer safety.
